AWARD OF MERIT
Pittsburgh History & Landmarks Foundation

OUTSTANDING LIGHTING DESIGN
Electrical League of Western PA and Illuminating Engineers Society

The Bellefield Presbyterian Church is a fine example of the robust Richardsonian Romanesque Style circa 1898. It has a handsome curvilinear stone and slate exterior and contains a unique domed Sanctuary flanked by brilliant stained glass windows on three sides. With the restoration of the interior spaces the inherent beauty of the Sanctuary has become apparent, and once again, the congregation of the Bellefield Presbyterian Church worships in a vibrant and unique environment.
